

Charlie Reoch

Charlie started fundraising for the A-T Society in 2019. During the year Charlie has taken on some challenging events. Charlie started fundraising by running a half marathon in Wrexham and continued to complete the National Three Peaks Challenge a few months later. As a result, Charlie has raised £620 for the A-T Society.

Charlie's cousin Lilly, who has A-T, was her motivation for getting involved in the events and raising money for the A-T Society.
