

Jennifer Brownlie

Jennifer is a mother of two children both of whom have been diagnosed with A-T. With this in mind, Jennifer had fantastic motivation when she ploughed head first into organising this great event.

Jennifer planned a walk up Loch Humphrey with the added challenge of a boot camp at the top. Jennifer and her family were able to get friends and family to sign up for the challenge. The weather was on Jennifer's side and stayed sunny for the event, which raised £3,708!
